--- One must speak to Horus during the day in which the earth is sowed. Horus will require our help on that day. To reach Horus, one must say goodbye to family and loved ones, and sail come sundown on a boat to meet Osiris at the Great Temple. At the temple of the underworld, one must offer to Horus during the half-month festival. The offering is of other souls so that the Great Temple might attempt to also live amongst us. Once that day comes, one might find eternal rest in the horizon of the sky, as loved ones can properly mourn at the riverbanks. This day, which comes when sowing the earth for Horus.
